

BOAT

- Hull**
- 5 Year factory warranty foam sandwich core
 - Hand-laid, Vacuum-bagged fibreglass laminates
 - Gel coat iceberg white
 - Carbon fiber reinforced high stress points
- Deck**
- 5 Year factory warranty foam sandwich core
 - Hand-laid, Vacuum-bagged fibreglass laminates
 - Non-skid deck surface
 - Self-draining cockpit
 - Foredeck spinnaker launch & ventilation hatch
 - Molded sliding companionway & hatch cover
 - Structural aft bulkhead
 - Rolled top deck edge
 - Bow: twin molded fibreglass toe rails
 - Cockpit: molded fibreglass foot braces
 - Carbon fibre reinforced high stress points
- Keel**
- 650 lb. retractable bulb keel, VC epoxy finish
 - Bearing locking mechanism
 - Retracting winch and locking apparatus
 - Reinforced structural box
 - Lifting points for hoisting
- Rudder/Tiller**
- Transom hung carbon fiber reinforced Rudder
 - Molded Tiller handle

SAILS

- Main**
- 240 sq. ft. enhanced roach Main
- Jib**
- 145 sq. ft. non-overlapping Jib
- Spinnaker**
- 660 sq. ft. Symmetrical masthead Spinnaker
 - 600 sq. ft. Asymmetrical Spinnaker

INTERIOR

- Mid-berth pan c/w inspection/storage compartments

HARDWARE

- Mast**
- Deck-stepped plate, pin, lock
 - Integral Mast Jack rig tensioner, installed
- Boom**
- 12:1 boom vang
- Main Sail**
- Mainsheet traveller car, pivoting toggle (H2735)
 - Mainsheet block, single swivel becket (H2601)
 - High-beam track (H2721), heavy duty endstops (H264)
 - 4:1 cunningham
 - Halyard rope clutch
 - Wire block (H306)
- Jib**
- 2:1 Jib sheet purchase system
 - Black anodized jib tracks (H2721) & sliding blocks (H tba)
- Spinnaker**
- Choice of Aluminum Spinnaker Pole or Carbon Fiber Sprit
 - Recessed blocks (H046)
 - Hexaratchet blocks (H009) & reverse ratchet (H044)
 - Twing lines with micro cleats and roller fairleads
 - Spinnaker uphaul cleat on mast and cockpit
 - Halyard rope clutch
 - Cockpit cleats
- Deck / Hull**
- Bow/stern mooring padeyes/cleats
 - Molded cooler / storage container
