

Rocket Partnership Program

Referrals and recommendations are the best kind of sales prospect any business can have. But when you recommend a restaurant, or store or any product to a friend does that business send you a check? Probably not. Well, we want to change that. The Rocket Partnership Program will reward you for sales referrals and for helping us build the Rocket22 fleet from coast to coast and around the world.

The Rocket Partnership Program is incredibly straightforward and easy. You can put as much effort into it as you like. You don't have to own a Rocket22, although if you do the reward is double.

Put simply, the Rocket Partnership Program will reward you for what you probably do already. That is, talk to your friends and family!

How Does the Rocket Partnership Program Work?

To be eligible for the Rocket Partnership Program all you have to do is send us your referrals, or have them contact us. Either way we will track them in our database and pay you a reward on final delivery of their new Rocket22. If you are a Rocket22 owner already we'll pay you a reward of \$500.00 and if you don't yet own a Rocket22 we'll pay a \$250.00 reward. How easy is that?
